- How did you come to own or ride him or her? How long have you owned/lease/ridden him or her? **I bought her from Tennessee and she didn't have a successful race career on the track . I've owned her for 9 years. She has been doing eventing and has been super successful**

How are they a wonderful example of the Arabian Horse? Or what are their best or your favorite features? **She has that Arabian flare, she has such beautiful expressions on her face – especially in her eyes . She is very animated in her gaits**

- Favorite, sweet or fun memory, story, or fact about them, what are some of their favorite things or treats, etc.: **A fun Memory is when I went on a hunter pace in Fairburn GA and I let her open up and gallop and it was the most freeing feeling ever.**
